

# Breastfeeding Welcome Here

## ***Take the Anytime, Anywhere Initiative Business Pledge!***

*#AnytimeAnywhere*

I pledge to provide a welcoming environment where breastfeeding mothers are able to sit in any area open to the general public and enjoy a friendly attitude from staff and management while breastfeeding.

Employees of this business will advocate for breastfeeding mothers and children toward other customers, if necessary.

Staff members have been provided with information on how to handle complaints about breastfeeding, and will inform those who raise concerns that breastfeeding in public is protected by Minnesota law (MN Statute 145.905: A mother may breast-feed in any location, public or private, where the mother and child are otherwise authorized to be, irrespective of whether the nipple of the mother’s breast is uncovered during or incidental to the breast-feeding) and that this business welcomes breastfeeding patrons.

I will place a “Breastfeeding Welcome Here” window cling in view of all who enter this business establishment.
